

# Emily Qin

emily\_qin@sfu.ca | 778-512-7938 | Coquitlam, BC., Canada | [linkedin.com/in/emily-qin](https://www.linkedin.com/in/emily-qin)

An ambitious computer science student skilled in C++, C, and Python, with 4+ years of leadership experience. Looking to harness my creativity and passion for building equitable communities as a STEP intern at [Google](#).

## EDUCATION

---

### Simon Fraser University

BSc in Computer Science, Minor in Business – CGPA: 3.89

September 2023- June 2027

- Full Tuition Scholarship – Undergraduate Scholars Entrance Scholarship (with Distinction)

## LEADERSHIP EXPERIENCE

---

### Director of Events

April 2024 – Present

*Computer Science Student Society at Simon Fraser University*

- Chair of the events committee with 61 volunteers, organizing hackathons, office tours, interview prep workshops, hikes, and social events for 2200 computer science students.
- Coordinates biannual 200-participant hackathons. Manages sponsor communications, judges 40+ projects, and facilitates ceremonies and workshops to deliver an engaging and rewarding hackathon for students.

### Hackathon Project Manager and Frontend Developer

January 2024 – April 2024

*Hack-The-Sem by SFU Google Developer Student Club & SFU WiCS*

- Developed SFU PathPals: a pathfinder to promote inclusivity on campus by highlighting accessible routes, safety resources, health services, and live events. Earned 2<sup>nd</sup> place for its practical application and impact.
- Developed a Gantt timeline for task management and used Bootstrap for a responsive, accessible interface.

### Executive Director

September 2021 – September 2023

*XdHacks Mini Vancouver (NPO)*

- Led a team of 7 directors to organize several of the largest high school hackathons in British Columbia.
- Accomplished over 100 participants per event by networking with organizations/school counselors.
- Collaborated with my team to develop a marketing strategy, resulting in 50+ new participants per event.

### Human Resources Head

March 2021 – September 2023

*Youth Helping Youth BC (NPO)*

- Managed 4 HR members, conducted 60 interviews to attract top talent, and led the onboarding training.
- Created and edited code of conduct and conflict resolution protocols which preemptively reduced bullying.

### Squadron Deputy Commander, Level 4 Supervisor

September 2018 – June 2023

*754 Air Cadets*

- Second-in-charge over 130 cadets, oversaw all level 4 activities, led overnight training and 2 workshops.
- Dedicated over 850 hours to this program; earned the Top Instructor Award in June 2022.

## WORK EXPERIENCE

---

### Sales Associate

August 2023 – March 2024

*UNIQLO*

- Awarded for top customer service of the month and balanced full-time school with 20h work/week.

## ACTIVITIES, AND HACKATHON AWARDS

---

**Activities:** Embark Sustainability, Piano (RCM 10), SFU CSSS, Women in Computing Science Club, Toastmasters

### Hackathon Awards:

Stranger Endanger: Best Design at *StormHacks 2024* - Project Manager and UI/UX Designer
